Mostly online coursework with on-campus residency for laboratory experiences

Begin the online application process by going to www.su.edu/anatomyandphys

International transcript evaluation by an accredited agency is an admission requirement. Approved services are listed at www.naces.org and <http://aice-eval.org/>.

Dr. Cameron Bolton
Program Director

Shenandoah University's Graduate Certificate in Anatomy and Physiology is delivered mostly online. Students will attend most classes and learn in an online environment that will be engaging and interactive. Online instruction is supplemented with a required residency component for the laboratory coursework. This will provide students the opportunity to view human cadaveric specimens and participate in dissection.

Teachers that complete this program will meet the necessary credit hours to
