

## Biology (B.S.)

Nina Parker, Associate Professor of Biology

Gregory Hall, Room 109B, (540) 665-4593

The Biology major offers a wide variety of opportunities for students to develop both fundamental and in-depth knowledge within the disciplines of the biological sciences.

Students will participate in comprehensive hands-on laboratory-based activities that will promote the development of technical skills used in biological science investigations.

The Biology major has been designed to allow students to pursue specialized interests
