

## SCHOOL OF NURSING

2024 First-Year Program

## REPUTATION FOR \* \* NURSING EXCELLENCE

The Shenandoah University School of Nursing enjoys a strong reputation locally, regionally and nationally. Our nursing graduates are recognized within the health care community as knowledgeable, capable and able to excel in the workplace. In addition, many return a er graduation to pursue master's degrees, post-master's certificates and doctoral degrees.

**NURSING IS AN ESSENTIAL** profession in the delivery of health care, with tremendous possibilities and options for career growth. Registered nurses make up the largest part of the health care profession. Nurses are critical members of health care teams and they provided essential care to millions during the coronavirus pandemic. A student with a strong academic background in math and science, and the ability to recognize and address problems, will find nursing a rewarding lifelong profession. Shenandoah-educated nurses demonstrate skills in professional nursing care delivery, management, and leadership, as well as values consistent with holistic and ethical delivery.

## HANDS-ON LEARNING

Shenandoah University uses high- and low-fidelity simulation equipment in laboratories to enhance student learning.
Simulation technology, in the form of human models/manikins, allows faculty members to design specific events or scenarios that simulate actual clinical situations and

events. This technology provides an interactive, educational approach to teaching theory, assessment, technology skills, pharmacology and decision-making in a safe environment that allows you to apply and integrate knowledge, skills and critical thinking.

Shenandoah University enjoys

The Eleanor Wade Custer School of Nursing fosters interdisciplinary learning and practice through collaboration with our other health care programs, including pharmacy, physician assistant studies, physical

and occupational therapy, athletic training, public health and music therapy.
