

Overlap of Credits Between Programs

The total credit overlap between the PharmD and MPH program is up to 19 credits. The courses and requirements that may overlap are illustrated in the table below. The selected overlap is in-line with each program's requirements and also meets accreditation standards for both programs. To view the entire PharmD curriculum please visit the <u>Shenandoah University Course Requirements</u> page.

Sample Course Overlap and Timeline

PH Substitutions for Pharmacy Requirements

Pharmacy Course	Credits	Semester	Public Health Course(s)	Credits	Semester
PHAR Elective 1	3	Spring 2	PH 527	3	Spring 2
PHAR Elective 2	3	Fall 3	PH 515	3	Fall 3
PHAR Elective 3	3	Spring 3	PH 510	3	Spring 3
